Thanks, Mr. Fitzgerald!

Thanks to Mr. Mike Fitzgerald for running sound and lights for today's concert, and to his maintenance/custodial staff for all of their work to support the band.

Wind Ensemble

Our newest band makes its debut today, the Wind Ensemble. This auditioned band meets outside of the school day, and works to perform high quality concert band repertoire at the highest level possible. We are excited to begin this new adventure!

Music Boosters

Special thanks are due to the music boosters for all of their assistance to the band this, and every year. We are especially grateful for providing meals for all of our marching competitions, and for the refreshments at our concerts. In addition, last year's purchase of a new set of timpani (around \$16,000) was also made possible by the boosters. Music boosters are always looking for more volunteers—contact the president, Kelly Dobesh, if you are able to help out.
