Website

Check out our website at <http://ginwband.weebly.com/> to find pictures of the band, schedules, and pertinent announcements. Also, be sure to check in to our Charms system from time to time at <https://www.charmsoffice.com/> This system contains a great deal of information for students and parents including contact information, scheduling, and financial information. See Mr. Pfanstiel for login information.

San Antonio 2016-2017

The band will be making plans for a trip to San Antonio in the spring of 2017. Check the band website for continual updates.

Music Boosters

Special thanks are due to the music boosters for all of their assistance to the band this, and every, year. We are especially grateful for providing meals for all of our marching competitions, and for the refreshments at our concerts. In addition, last year's purchase of a new set of timpani was also made possible by the boosters. Music boosters are always looking for more volunteers—contact Kelly Dobesh if you are able to help out.
